- Confirmed — final position stated directly in Budgen/RYA race report or 49er.org event summary
- Estimated — position inferred from narrative mentions, day-by-day standings, or known fleet composition

Notes: Qualifying race scores (Q1–Q11) and points for 14 boats sourced from the mid-event standings table published on 49er.org (after 11 qualifying races, before fleet split). Final overall positions 1–7 confirmed from the 49er.org event summary and Andy Budgen's day reports. Positions 10–12, 14, 19 confirmed by name from Budgen's final day report.
