

Note to competitors:

Race Area C

1. NE of the West mark in the middle of the course area is a shallow area. The lowest depth measured yesterday at normal water level was 1.5 m. For safe sailing, on 1st July the area was marked with 4 small white buoys.
2. The mainland (Lauttasaari) shore is shallow as indicated on the maritime charts. It is recommended not to sail closer to Lauttasaari than necessary.

Race Areas A and B

3. Outside the island of Sirpalesaari, just opposite Hernesaari the shore is shallow and it is not recommended to sail closer to the shore than about 100 m.
