Instructions on Using the Equipment Limitation Stickers

Please ensure that equipment is;

- DRY
- CLEAN

BEFORE you apply the stickers to any item of equipment!!

Please ensure that stickers are placed according to the instructions below. Keep in mind that all stickers should be clearly visible to the Equipment Inspection Team.

HULL – Sticker serial number - 01

Place on the port side of the stern.

WINGS

Do not place equipment limitation stickers on the wings, but do record the 9er Certified Equipment sticker serial number on this form

DAGGERBOARD – Sticker serial number - 02

Place on the very top of the daggerboard, along the centerline such that no part of the sticker enters the casing.

RUDDER – Sticker serial number - 03

Place on the very top of the rudder, along the centerline such that no part of the sticker enters the casing.

BOOM – Sticker serial number - 04

Place on the port side of the boom at the outer end. Ensure sticker is clear of any rigging or attachments.

MAST BOTTOM – Sticker serial number - 05

Place on the front face of the mast just above the gooseneck fitting. Ensure sticker is clear of any rigging or attachments.

MAST MIDDLE – Sticker serial number - 06

Place on the front face of the mast, at the bottom of the section. Ensure sticker is clear of any rigging or attachments.

MAST TOP – Sticker serial number - 07

Place on the front face of the mast, at the bottom of the section. Ensure sticker is clear of any rigging or attachments.

GENNAKER POLE – Sticker serial number - 08

Place on front end of gennaker pole

ALL SAILS

Sails may be stamped or signed by an inspector in the designated area.

NOTE – This form and all unused stickers shall be returned to the Event Registration desk.

1.1 I understand that these items may not be substituted at any time during the event without prior written consent of the Race Committee.

1.2 It is my sole responsibility to ensure that the equipment I use for this event shall comply with the class rules at all times and that the equipment may be checked for class rule compliance at any time during the event.
