

Nacra 17 class

11/2-2020

can we use a battery to take
of seaweed from foils/rudders?

FIN 440

Alan Noyard

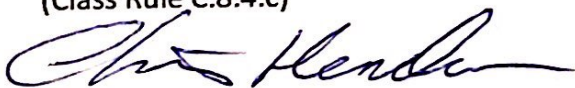

Reply from the Technical Committee to the question from FIN 440.

Class Rule C.5.2.b.i states that spare parts and tools may not be used whilst *racing*.

So therefore this request is declined.

The Technical Committee would also like to confirm that the dagger-boards **MAY** be raised whilst *racing* to clear the boat from becoming afoul of in water items but rudders shall **NOT** be raised whilst *racing*.

(Class Rule C.8.4.c)
