Instructions on Using the Equipment Limitation Stickers

BEFORE you apply the stickers to any item of equipment!!

Please ensure that stickers are placed according to the instructions below. Keep in mind that all stickers should be clearly visible to the Equipment Inspection Team.

Please ensure that equipment is:

- DRY
- CLEAN

HULL (1)

Place on the port side of the stern.

STARBOARD WING (2)

Place on inner flange of wing facing inboard.

PORT WING (3)

Place on inner flange of wing facing inboard.

DAGGERBOARD (4)

Place on the very top of the dagger board, along the centerline such that no part of the sticker enters the casing.

RUDDER (5)

Place on the very top of the rudder, along the centerline such that no part of the sticker enters the casing.

BOOM (6)

Place on the port side of the boom at the outer end. Ensure sticker is clear of any rigging or attachments.

MAST BOTTOM (7)

Place on the front face of the mast just above the gooseneck fitting. Ensure sticker is clear of any rigging or attachments.

MAST MIDDLE (8)

Place on the front face of the mast, at the bottom of the section. Ensure sticker is clear of any rigging or attachments.

MAST TOP (9)

Place on the front face of the mast, at the bottom of the section. Ensure sticker is clear of any rigging or attachments.

FORESTAY (10)

Forestay will be tagged by Equipment Inspector once measured

GENNAKER POLE (11)

Place on front end of gennaker pole

ALL SAILS

Sails may be stamped or signed by an inspector.

NOTE – This form shall be returned to the Event Chief Measurer on the completion of the measurement.
