Format of Racing

For 49er and 49erFX

The Opening Series will be in two series:

1. Qualifying Series
2. Final Series

For Nacra 17

The Opening Series will be a Single Series

For 49er

1. Qualifying Series (Days 1, 2 and 3)

- 1.1 The boats will be split into THREE fleets for 49er and TWO fleets for the 49erFX of approximately equal numbers of boats. The Qualifying Series will consist of a maximum of NINE races. However, if less than SIX races have been completed by all fleets by the end of Day 3, the Qualifying Series will continue.
- 1.2 The Organising Authority will make initial fleet assignments on the basis of the top 50 ranked boats from the 2023 World Championship. with the remainder being taken in numerical order of sail numbers. The method of assignment to fleets will be as per 1.3 below. The ranking will remain in force until the end of the day during which the 2nd Qualifying Race is completed by all fleets.
- 1.3 If all fleets have completed the same number of races, boats will be reassigned to fleets on the basis of their Qualifying Series scores as detailed below. If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. However, the reassignments will be calculated for those races, numbered in order of completion, completed by all fleets. Reassignments will be made as below.
- 1.4 If at the end of the Qualifying Series some boats have more race scores than others, scores for those boats' most recent races will be excluded so that all boats have the same number of race scores.
